

A Most Valuable Agent.

The glycerine employed in Dr. Pierce's medicines greatly enhances the medicinal properties which it extracts from native medicinal roots and holds in solution much better than alcohol would. It also possesses medicinal properties of its own, being a valuable demulcent, nutritive, antispasmodic and antiferment. It adds greatly to the efficacy of the Black Cherry bark, Bloodroot, Golden Seal root, Stone root and Queen's root, contained in "Golden Medical Discovery" in subduing chronic, or lingering coughs, bronchitis, throat and lung affections, for all of which these agents are recommended by standard medical authorities.

In all cases where there is a wasting away of flesh, loss of appetite, with weak stomach, as in the early stages of consumption, there can be no doubt that glycerine acts as a valuable nutritive and aids the Golden Seal root, Stone root, Queen's root and Black Cherry bark in promoting digestion and building up the flesh and strength, controlling the cough and bringing about a healthy condition of the whole system. Of course, it must not be expected to work miracles. It will not cure consumption except in its earlier stages. It will, however, soothe the inflamed, hacking, chronic cough, bronchitis and laryngeal troubles and chronic sore throat with hoarseness. In acute coughs it is not so effective. It is in the lingering hang-on coughs, or those of long standing, even when accompanied by bleeding from lungs, that it has performed its most marvelous cures.

Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago, says of glycerine:

"In dyspepsia, it serves an excellent purpose. Holding a fixed quantity of the peroxide of hydrogen in solution, it is one of the best manufactured products of the present time in its action upon indigestion, disordered stomachs, especially if there is ulceration or catarrhal gastritis (catarrhal inflammation of stomach), it is a most efficient preparation. Glycerine will relieve many cases of pyrosis (heartburn) and excessive gastric (stomach) acidity."

"Golden Medical Discovery" enriches and purifies the blood, curing blotches, pimples, eruptions, scrofulous swellings and old sores, or ulcers.

Send to Dr. R. V. Pierce, of Buffalo, N. Y., for free booklet telling all about the medicinal roots composing this wonderful medicine. There is no alcohol in it.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will also surely. It may be a stomach nerve, or it may have given strength and support to the heart or kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to do the stomach nor to temporarily stimulate the heart or kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing inside nerves. The remarkable success of this prescription demonstrates the wisdom of treating the actual causes of these failing organs. And it is indeed easy to prove. A simple five or ten days test will surely tell. Try it once and see. Sold by dealers.

Mrs. Richard Hays, of St. Louis, and daughter, Mrs. Frank Johnson, of Wellington, arrived Saturday for a visit in this city.

Poor Milk

is often thought to be responsible for an infant's loss in weight or general poor health. The cause usually is that the child has worms. They get the nourishment in the food and the baby starves, actually starves. White's Cream Vermifuge expels the worms and nourishes the child, sure and safe. Price 25 cents. Sold by Crenshaw & Young.

WHY SO WEAK?

Kidney Troubles May be Sapping Your Life Away. Lexington People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, kidney weakness may be the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Can Lexington readers demand further proof than the following statement:

E. B. Graham, retired, 404 Elm street, Independence, Mo., says: "Kidney and bladder trouble was the plague of my life for years. I had pains in my back and hips and was tired and depressed all the time and generally on arising in the morning would be made lame and stiff. I had headaches and dizzy spells, sometimes noticed a puffiness beneath my eyes and was caused considerable annoyance by too frequent passages of the secretions from my kidneys. I tried remedies of several kinds, also put plasters on my back but to no avail. When I read about Doan's Kidney Pills, I procured a box at Pendleton & Gentry's drug store and began using them. I found prompt relief and steadily grew better until well again. Over a year has passed without a return of my trouble and I can say my cure is a permanent one."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

COUNCIL PROCEEDINGS

Pat Lyons Lands Contract for Franklin
Avenue Paving and Curbing.

Considerable interest was attached to the meeting of the city council Monday evening, as bids for the paving of Franklin avenue and Eleventh street and the laying of curbing for the same had been advertised for. Pat Lyons of this city was the successful bidder for the paving of Franklin avenue and for the laying of the curbing. He offered to pave Franklin avenue with concrete at \$1.05 per square yard. This was twenty cents below the next bid. His bid for concrete curbing was 25 cents per lineal foot, which was five cents lower than the nearest.

There were three bidders for the Eleventh street brick paving; but the lowest offer was \$1.84 per square yard and the council, deeming this too high, rejected all the bids.

All members of the council were present. After the reading of the minutes of the previous regular and adjourned sessions, J. C. Crenshaw presented a proposition from Gustav Haerle to build a branch from the Highland avenue sewer to extend east on Main street to Eighth street and then south to the alley. The matter was referred to the committee on sewerage.

The regular reports were read, approved and filed and the claims allowed. The bill of the Lexington Gas and Electric company for street lights during May was \$346.20.

William Gaffin was appointed calaboose keeper and Nick Hammer and Ed Kavanaugh paid fire wardens for the coming month.

The council adjourned to meet in adjourned session Monday, May 28.

Will Install Refrigerating Plant.

Z. W. Wright and Sons Monday placed an order with the H. A. Born Packers Supply company for a complete Born Special refrigerating plant at a cost of \$1,432.

The plant will consist of a mineral wool lined refrigerator 12x12x8 feet and a machine, run by a 3-horse-power motor, to keep the temperature of the refrigerator between 35 and 40 degrees Fahrenheit. The machine will have a 2-ton capacity; that is will develop the efficiency of 2 tons of ice melting in 24 hours. The machine is of the latest 1909 pattern and of a type used by many of the large packing houses. It will probably be installed in 30 or 40 days.

Bonds.

The Board of Education of Lexington, Mo., will receive sealed bids on or before 7:30 p. m. June 28, 1909, for 12,000, 10-20 year Lexington School District Building Bonds. Rate of interest four per cent per annum. Interest payable semi-annually.

The Board reserves the right to reject any and all bids.

By order of the Board of Education, Lexington, Mo., June 2, 1909.

Albert F. Winkler,
6-12-13 Secretary.

Lexington Won.

The ball team which went to Marshall Friday to play the Elks of that place bring back a story of glorious victory and added laurels to the brow of the premier port-wheeler, Prof. Cleveland Jarboe Terhune. They say they were fortunate in grabbing a total of 13 to their opponents, 2.

Building & Loan Meeting

At the regular meeting of the B. & L. Association Edward Aull was elected a member in place of T. I. Bandon, deceased, and E. N. Hopkins was elected Vice-President in place of Mr. Bandon.

Capt. J. Q. Plattenburg was Kansas City Tuesday.

Miss Hattie Hartwig left Tuesday evening for Columbia to attend the meeting of the photographers' association.

Fine Care Fine Hair

It's fine care that makes fine hair! Use Ayer's Hair Vigor, new improved formula, systematically, conscientiously, and you will get results. We know it stops falling hair, cures dandruff, and is a most elegant dressing. Entirely new. New bottle. New contents.

Does not change the color of the hair.

Ayer's
Formula with each bottle show it to your doctor. Ask him about it, then do as he says.

Ayer's Hair Vigor, as now made from our new improved formula, is the latest, most scientific, and in every way the very best hair preparation ever placed upon the market. For falling hair and dandruff it is the one great medicine.

Made by the J. C. Ayer Co., Lowell, Mass.

Eat What

You want of the food you need
Kodol will digest it.

You need a sufficient amount of good wholesome food and more than this you need to fully digest it.

Else you can't gain strength, nor can you strengthen your stomach if it is weak.

You must eat in order to live and maintain strength.

You must not diet, because the body requires that you eat a sufficient amount of food regularly.

But this food must be digested, and it must be digested thoroughly.

When the stomach can't do it, you must take something that will help the stomach.

The proper way to do is to eat what you want, and let Kodol digest the food.

Nothing else can do this. When the stomach is weak it needs help; you must help it by giving it rest, and Kodol will do that.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, brick-dust or sediment in the urine, head ache, back ache, lame back, dizziness, sleeplessness, nervousness, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and better health in that organ is obtained quickest by a proper treatment of the kidneys. Swamp-Root corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and immediate effect of Swamp-Root, the great kidney remedy is soon realized. It stands the highest because of its remarkable health restoring properties. A trial will convince anyone.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, and don't let a dealer sell you something in place of Swamp-Root—if you do you will be disappointed.
